10) As per G.O.No. SD.2307-18/A.37-44-11 dated 27-10-1944 sanctioning the Harvest Acquisition staff in the State to end of June, 1945, only 100 Taluk and Town Sales Depots were -- sanctioned at the rate of one depot for each of the 82 Taluks and 18 extra depots for towns. The managers of 50 bigger -- depots should be paid at Rs.40/- per month and the managers of 50 smaller depots should be paid at Rs.30/- per month. In Mandya Town two depot managers were appointed on Rs.40/- per month and objection was taken by the audit office for the payment of Rs.40/- per month to each of them instead of to only one of them so far back as in July, 1944. Government sanction for the opening of the above two Sales depots was also called for in July, 1944 alone.

A retrenchment slip objecting to the payment of Rs.40/- per month to one of the Sales Clerk instead of at Rs.30/- per month as per the above order was also issued by this office. A distribution list of menials for the depots and office was also called-for for audit purposes. It was in response to the above objections raised in audit that the reference in question has been made by the Deputy Commissioner, Mandya District on 10-1-45

OFFICE OF

the Director of Food Supplies
in Mysore,

No. F2-199/44.
Encls.

Dated Bangalore 8th March 1945.

To

The Secretary to Government,
Development Department (Food Supplies),
Bangalore.

Sir,

Subject:--Additional Staff for Depots and at Mandya Town.

In forwarding herewith copies of letters No.S1-53-44 dated 10th January and 7th February 1945 from the Deputy Commissioner, Mandya, reporting that, in connection with the distribution of food-stuffs, 3739 identification cards have been issued in the town and that due to non-availability of suitable buildings for opening of depots only two depots had to be opened which resulted in considerable rush at the depots which necessitated the appointment of additional staff in the depots opened. He reports that he has appointed one additional clerk to each of the two depots on Rs.25/- p.m. from 27-12-43 and that as against the basic scale of two measurers on Rs.11/- each sanctioned for sales depots he has appointed two peons on Rs.10/- each and one measurer on Rs.12/- each to each of the two depots from 1-9-43.

2) In the circumstances explained by the Deputy Commissioner for appointing the additional clerks to the sales depots and as he has also reported that he has from 1st January 1945 reduced the menial staff to the level of the basic scale sanctioned, I request that the approval of Government may kindly be accorded for the action taken by the Deputy Commissioner, Mandya, and necessary sanction conveyed to regularise the appointments made.

3) I request the favour of early orders in this behalf.

I have the honor to be,
Sir,
Your most obedient servant,

(absent from head quarters)

Letter No.S1-53/44 dated 10-1-45 from the Deputy Commissioner, Mandya Dt. to the Director of Food supplies in Mysore.

I have the honor to state that according to the basic scale, one manager on Rs.40/- and two measurers on Rs.11/- each have to be appointed for each big sales depot in the District-headquarter town. Though rationing has not yet been introduced into Mandya town, foodgrains are being distributed on identification cards adopting the system of basic rationing. Till now 3739 cards have been issued. For want of suitable buildings for locating sales depots in Mandya town, only one depot was opened on 20th August 1943 in a central locality for purposes of distribution of foodgrains by appointing the marginally noted staff, opening separate branches for men and women. On account of the heavy rush in the depot, one manager in each branch could not manage the work. Hence the help of an additional clerk was given. This has exceeded the basic scale. As the arrangements thus made were found to be not quite satisfactory, I have arranged for the opening of another depot recently in the Bannur extension by employing one manager on Rs.40/- and two measurers on Rs.11/- each. The total cost of establishment comes to Rs.291/- per month for all the three sales depots which is in excess to the extent of Rs.60/- based on the basic scale per month. Strictly speaking this town requires four depots to be opened in different localities. If this had been done the cost of establishment as per basic scale would have been Rs.308/- per month. As the work was managed with only two depots, there is distinct saving to Government in the shape of rent, contingency etc., as shown in the margin. I therefore request you kindly to accord sanction for the entertainment and continuance of additional staff as noted above in Central Sales Depots as there is very heavy work there. From 1st Jan.45 the pay of the measurers has been fixed at Rs.11/- per month and the extra peons entertained discontinued.

Subject:--Additional staff for depots at Mandya.

With reference to your letter No.E2-199/44-45 dated 23/24th January 45 requesting me to intimate the date from which the additional clerks on Rs.25/- per month were appointed and the period for which sanction has to be obtained for the additional menial on Rs.12/- etc., I have the honor to state that two clerks - one to each of the two sales depots on Rs.25/- per month - were appointed from 27-12-43 in this office memo No.SPC.239/43-44.

Regarding appointment of menial staff to the sales depots, each sales depot each sales depot will have two measurers on Rs.11/- per month, according to the basic scale. But two peonson Rs.10/- per month and one measurer on Rs.12/- were appointed instead, entailing an extra expenditure of Rs.10/- per month for each depot.

Hence I request you kindly to obtain sanction of Government for the entertainment of two clerks on Rs.25/- per month for sales depots from 27-12-43 and for entertaining menial staff consisting of two peons on Rs.10/- per month, Re.1/ extra to each of the measurers on Rs.12/- for the sales depots from 1-9-43 to 31-12-43.

With reference to your letter No: SD.6186/A.226-44-2 dated 10th April 1945 on the above subject, I have the honour to state that the Deputy Commissioner, Mandya, who was requested to furnish the information ~~received~~ required, has sent a reply but it requires further clarification and therefore I have addressed him again, (copy of my letter No: E1.199/44-45 dated 28th September 1945 enclosed).

The Deputy Commissioner,

MANDYA.

Sir,

Subject: Additional staff for depots in Mandya Town.

With reference to your letter No: S.84/45-46 dated 3rd September 1945 on the above subject, I have the honour to state that in your letter No: S1.55/44 dated 10th January 1945 you have requested sanction for the appointment of one additional clerk on Rs.25/- p.m., one measurer on Rs.12/- p.m. and two peons on Rs.10/- each, to each of the two depots in Mandya Town, as against the basic scale of one Manager on Rs.40/- p.m. and two measurers on Rs.11/- each sanctioned to every depot as per basic scale. The Government wants to be intimated of the actual expenditure involved in the proposal.

2. As regards the clerical establishment : (1) What is the expenditure involved on one clerk from 5-12-43 to 7-12-44 the date on which he was relieved to join the Village Shifting Scheme, (2) What is the expenditure on the other clerk, who is continued still till 30th June 1945 and (3) What is the additional monthly expenditure from 30th June 1945 for the clerk so continued.

3. As regards the menial establishment in arriving the additional expenditure you have taken into account all the existing depots. This is incorrect in as much as sanction for one establishment cannot be utilised for a separate establishment. The actual expenditure involved should only be taken into account, keeping in view, the actual staff employed and the basic scale sanctioned in respect of the two depots concerned.

P.T.O.

4. I request you to work up the expenditure involved in the proposal as indicated above and to furnish the same immediately with a clear report as a proposition statement.

5. As regards other additional establishments referred to in your letter, a separate reference may kindly be made.
